

Sadia Megaflo Water Heater

On Site Kitchen Rentals Ltd

Megaflo HE is widely recognised as the brand leader in unvented domestic water heating offering levels of performance that are quite simply unrivalled by the competition. Internal air-gap with patented floating baffle. Strong, Duplex stainless steel construction. High performance 'coil-in-coil' heat exchanger. No sacrificial anode (eliminates need for annual inspection) Appliance-like plastic-coated outer case. Patented cold water inlet diffuser minimises mixing of cold and hot water. Water inlet controls increase flow rates by up to 35%. Improved performance even at 1 bar. Every unit tested to 15 bar (217psi)
